*“Every good thing that happens
between us happens first
at home!”*

What are we talking about?

1. What’s reading... and what’s not reading?
2. What we know about spontaneous reading.
3. Why “spontaneous” is not “instantaneous.”

What parents and teachers can do

1. What to do to move things along.
2. What happens if you don’t.

All together now...

1. The take-home/send-home message.
2. Your questions and comments.
